

Staff Indemnity Due to Mask Enforcement Changes

In the event that it is alleged that any staff member, inclusive of all certificated, classified, confidential, classified and certificated management, violated CDPH guidance regarding the enforcement of masking while following mask enforcement policies enacted by the Board of Trustees, the District will provide a legal defense for staff member(s) in any civil, criminal, or administrative proceeding arising from the allegation in which the staff member's liability, civil or criminal, and the District will indemnify, insure, and hold the staff member(s) harmless for obeying district directives related to mask enforcement as directed by the Board of Trustees.
