Name of Public Officer to be Recalled

Michelle Morosky

Title of Public Officer Include office and district.

Brookings City Councilor, Position 4

Statement Reasons for demanding recall in 200 words or less. Any factual information provided must be true.

In the yearlong debacle of Brookings city manager, Janell Howard; Michelle Morosky has shown she is not suitable to continue as a city councilor and should be recalled. The reputation of the city has been damaged and there is no confidence in the three members of the council who continue to kowtow to the city manager - a known thief. There is no transparency as to how monies are spent on this fiasco. Ms. Morosky has flip-flopped on voting out and then voting to retain Ms. Howard. Ms. Morosky, the other councilor and the mayor have squandered our tax dollars on reports, legal fees, interim city manager salary and paid administrative leave for Ms. Howard. Ms. Morosky voted against the paid city attorneys' advice to remove the city manager. There is now a two year contract beginning in January 2023 that was negotiated while the city manager was on paid administrative leave after pleading no contest to theft from Fred Meyers. City staff, including police feel unsupported and unheard. Ms. Morosky's actions have consequences. The citizens deserve better. Please support this recall of Michelle Morosky for the future of Brookings.

Chief Petitioner Name, City and State.

Debra Worth, Brookings, Oregon

Statement Provide a statement of justification of term in office in 200 words or less.

The reputation of our city and its councilors can be measured by the efficient running of our city services and our dedication to public safety, financial solvency, and a strong municipal infrastructure.

The recent situation with our city manager is complicated with many facets that must be considered. There are financial and day to day functional impacts to all decisions we make, and significant ones in this case. The new contract our council approved with our city manager was created to correct insufficiencies in the old contract that limited our options in this situation.

Ms. Worth asserts that I have squandered taxpayer dollars while she advocates spending over \$300,000 on special elections and termination of our city manager.

My vote against terminating our city manager immediately without cause was based on the financial impact, the continued efficient functionality of our city, legal counsel input, and employee and community input. Ms. Worth's claim that I voted against the city attorney's advice is untrue and an example of the misinformation being propagated to win support for this recall.

Vote NO on this recall. Help us maintain a council dedicated to a strong, safe, and stable city.

By signing this document I hereby certify that the information in the above statement of justification is true.
