

DNHS Proposal for Reopening the 2020-21 School Year (August 3, 2020)

More than anything, Del Norte High wants to teach our students and go back to normal school as soon as possible. We are struggling with the sheer number of students that enter our building, approximately 1000, and each of those students have six or seven different classes. When we consider reopening for the 2020-21 school year, we would like to propose a hybrid: Everyday, M-F, DNHS students will engage with their teachers virtually from 9 AM to 12:00 PM. Instruction, collaboration, checking for understanding, attendance, and assessment will happen during this time. Students will then be able to participate in Tier 2 interventions, small cohorts or teacher office hours from 1:00-3:15 either virtually or in person.

- Monday through Friday mornings will be virtual learning. Attendance will be taken and documented.
- Friday is an exclusive day when teachers would meet with all classes. Virtual review/preview of the week shared with all students and parents.
- Every afternoon is reserved for intervention, small group instruction, and special populations either virtual or in person. As we work on safety protocols and systems, we believe students can be in small cohorts at DNHS **physically** as early as week 3 of the school year.
- Information regarding chromebook check out, textbook check out, and schedules will be available within the next two weeks.

*We are still exploring the needs and possibilities with our special education population.

*Proposal is subject to change based on public health guidelines.
